

Behavior Expectations – “The Way of the Dragon”

Del Paso Heights Elementary school is focused on training and reinforcing positive and appropriate behavior with all our students. Students are expected to make good choices throughout the school day and understand that their choices will result in consequences for appropriate behavior and consequences for inappropriate behavior. Del Paso Heights discipline plan will be focused more on positive reinforcements than on punitive consequences. We believe that a unified discipline plan helps keep the focus on expectations and standards while building a common level of communication and consistency.
